All my life i've slow and senseless
not struck dumb i'm just dumb that's all.
i can give you the constellations
lay down here and we'll count them all

madeline
madeline
madeline and nine and nine and nine and nine and
nine and nine and nine.

call me back when the war is over
call me back when your boyfreind is gone.
i'm aware of your isolations,
don't believe i'm the only one

slave to the inside i light my world is bruning on
eternally.
for the fire i lack this flame is feeling fine.

madeline
madeline
madeline and nine and nine and nine and nine and
nine and nine and nine.

give my arms just for your intentions,
give my back just to impress you now,
i'm so joyful that i have found you
all i need is for you to see me now.

slane by the words i lack my world is bursting sappy
music and
with a face so sad i long to make you mine
slave to the inside i light my world is burning on
eternally
for the fire i lack my flame is feeling fine.

madeline
madeline
madeline and nine and nine and nine and nine and
nine and nine and nine.
madeline and nine and nine
madeline and nine and nine

madeline and nine and nine and nine and nine and
nine and nine and nine
