All my life I've been slow and senseless  
Not struck dumb, I'm just dumb that's all  
But I can give you the constellations  
Lay down here and we'll count them all

Madeline, Madeline  
Madeline and nine, and nine, and nine  
And nine, and nine, and nine, and nine

Call me back when the war is over  
Call me back when your boyfriend's gone  
I'm aware of your isolations  
Don't believe, I am the only one

Slave to the inside light, my world is burning on  
eternally  
For the fire I lack this flame is feeling fine

Madeline, Madeline  
Madeline and nine, and nine, and nine  
And nine, and nine, and nine, and nine

Give my eyes just for your intentions  
Risk my back to impress you now  
I'm so joyful that I have found you  
All's I need's you to see me now

Slain by the words I lack my world is bursting sappy  
music  
And with the face so sad I long to make you mine

Slave to the inside light, my world is burning on  
eternally  
For the fire I lack this flame is feeling fine

Madeline, Madeline  
Madeline and nine, and nine, and nine  
And nine, and nine, and nine, and nine

Madeline and nine, and nine  
Madeline and nine, and nine  
Madeline and nine, and nine, and nine

And nine, and nine, and nine, and nine
