Down in the mouth and not half right  
But I can feel the changes comin' on  
Bloom like flowers in bluest night  
Bloom like the sunlight in my song

Dum dumb, dum dumb, dum  
Dum dumb, bay, dumb, dumb  
Move on, move on, dum dumb  
Dum dumb, dum, dum dumb, bay

All of the words you can't say right  
Burn my ass with anger to no end  
I love my country so much man  
Like an exasperating friend

Dum dumb, dum dumb, dum  
Dum dumb, bay, dumb, dumb  
Move on, move on, dum dumb  
Dum dumb, dum, dum dumb, bay

Now, now, now, now, now  
Now, now, now, now, now

Yeah, I believe the war is wrong  
Don't believe that nations can be steered  
Lead the world by smarts and compassion  
By example, not coercion, force and fear

Dum dumb, dum dumb, dum  
Dum dumb, bay, dumb, dumb  
Move on, move on, dum dumb  
Dum dumb, dum, dum dumb, bay

Ads for the army on cable  
Between ads for soda and skin cream  
What about the kids you have signed up?  
Do you really love them as you claim?

Now, now, now, now, now  
Now, now, now, now, now

Dum dumb, dum dumb, dum

Dum dumb, bay, dumb, dumb  
Move on, move on, dum dumb  
Dum dumb, dum, dum dumb, bay

Down in the mouth and not half right  
But I can feel the changes comin on  
Bloom like the flowers in bluest night  
Bloom like the sunlight in my song
