Heart of my heart, got to leave you today
You don?t love me and you can?t understand
Cut by the thorns, oh, I must loosen my grip
Got to let your flower fall from my hand

Down, put it, put it down
Put it down, down, put it down, down, put it down
Go, let it, let it go
Let it go, go, let it go, go, let it go

Mail, drop it in the mail
Drop it in the mail, drop it in the mail
Drop it in the sauce, bottle up the sauce
Bottle up the sauce, bottle up the sauce

Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na

Love of all loves, you have made a mistake
Only saw the flaws and now you regret
My mind?s aggrieved and my belly?s ablaze
I have swallowed all the words that you said

Down, put it, put it down
Put it down, down, put it down, down, put it down
Go, let it, let it go
Let it go, go, let it go, go, let it go

Mail, drop it in the mail
Drop it in the mail, drop it in the mail
Drop it in the sauce, bottle up the sauce
Bottle up the sauce, bottle up the sauce

Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na

Put it down, down, put it down
Put it, put it, put it down

Put it down, down, down
Put it, put it, put it, put it down, down
Put it down, oh, put it down, oh

Put it down, put it down
Put it, put it, put it, put it, put it, put it
Put it, put it, put it down, down
Put it down, down, down
Put it down, put it down
Put it down, put it down, put it down
Put it, put it down, down, oh

Down, put it, put it down
Put it down, down, put it down, down, put it down
Go, let it, let it go
Let it go, go, let it go, go, let it go

Mail, drop it in the mail
Drop it in the mail, drop it in the mail
Drop it in the sauce, bottle up the sauce
Bottle up the sauce, bottle up the sauce

Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na

Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
