Sunken-eyed girl in the sandwich shop  
Ladle my soup from the kettle pot, so  
Swoony my self with the smolder looks  
Parsin' that gaze for the right intention

Sunken-eyed girl don?t let me go  
You?re the whole world and you barely know so

You are the drinks, I drink and keep drinkin' and  
Fall down stumble  
All of the things I think and keep thinking and  
Lay down tremble  
All, these tears are bound to fall

Sunken-eyed girl on the Ludlow Street  
Junkie land once but they swept it up, so  
Sing in my mind, singin' you?re so sweet  
I need a bundle of dope just to numb it out 'cause I?m

Feelin' so good that it hurts my skin  
Feelin' so good I could do myself in

You are the drinks, I drink and keep drinkin' and  
Lay down tremble  
All of the blinks, I blink and keep blinkin' and  
Fall down stumble  
All, these tears are bound to fall

I?m  
No prize for you  
No trophy too  
Keep walkin' through  
And I?m  
Not worth a dime  
I?ll drag you down  
Don?t waste your time

Sunken-eyed girl on Delancey Street  
Bulletproof glass in the KFC  
So keep the man safe in his paper hat  
Keep the wrong hands off the biscuit fortune

Sunken-eyed girl don't let me go  
You're the whole world and you barely know so

I'm  
No prize for you  
No trophy too  
Keep walkin' through  
And I'm  
Not worth a dime  
I'll drag you down  
Don't waste your time

And I'm  
No prize for you  
No trophy too  
Keep walkin' through  
And I'm  
Not worth a dime  
I'll drag you down  
Don't waste your time

Sunken-eyed girl in the sandwich shop  
Ladle my soup from the kettle pot, so  
Swoony my self with the smolder looks  
Parsin' that gaze for the right intention
