Blah, blah, blah, I don't need it
Blah, blah, blah, get out
Blah, blah, blah, please hear me out
Blah, blah, blah
Blah, blah, blah, blah, blah, blah
Blah, blah, blah, don't talk too much
Blah, blah, blah
Blah blah blah
(Blah, blah)

See I heard a little bird wispher my ear
The blah, same old story
So tired, must be something better we can share
The blah, don't work for me
See I just don't care about all the he-says she-says
Because it's so played out
And I don't go that route (oh no)
So don't even bother about throwing rumors my way
No you should save your energy (oh no)

Blah, blah, blah, I can't stand it
Blah, blah, blah, I don't need it
Blah, blah, blah, hear me out
Blah, blah, blah, I don't want no more

Blah, blah, blah, I can't stand it
Blah, blah, blah, I don't need it
Blah, blah, blah, hear me out
Blah, blah, blah, I don't want no more

Why should it be so hard to understand
The blah gets you nowhere
This time can we try to talk about something else
The blah please don't go there
See I just don't care about all he-says she-says
Because it's so played out
And I don't go that route (oh no)
So don't even bother about throwing rumors my way
No you should save your energy (energy, baby)

Blah, blah, blah, I can't stand it
Blah, blah, blah, I don't need it

Blah, blah, blah, hear me out
Blah, blah, blah, I don't want no more

Blah, blah, blah, I can't stand it
Blah, blah, blah, I don't need it
Blah, blah, blah, hear me out
Blah, blah, blah, I don't want no more

They can say what they want
I'm gonna do what I do
Empty words cannot hurt me, they go through
You're just wasting your time
This is way out of line
Can't you see that you're losing all your shine

I see, I see through this shit
I don't need this shit, I don't need you anymore
Blah, blah, talk to much
I don't want no more
Shut up

Blah, blah, blah, I can't stand it
Blah, blah, blah, I don't need it
Blah, blah, blah, hear me out
Blah, blah, blah, I don't want no more

Blah, blah, blah, I can't stand it
Blah, blah, blah, I don't need it
Blah, blah, blah, hear me out
Blah, blah, blah, I don't want no more

Blah, blah, blah, I can't stand it (I don't want no more)
Blah, blah, blah, I don't need it (oh, I don't want no
more)
Blah, blah, blah, hear me out (hear me out, don't want
you no more)

Blah, blah, blah, I can't stand it
Blah, blah, blah, I don't need it
Blah, blah, blah, hear me out
Blah, blah, blah, I don't want no more

I don't want no more
Blah, blah, blah blah, blah, hit through it
