the clouds change into your face
and my heart beats like this song
you think that's blah
but wait until I'm there (I'm there)
now everyone goes his own way (his own way)
and I hope you will find the best
without me, believe me without me

You you don't love me
but you come near
and don't touch me
then I saw you
put away your ring
don't say you're sorry

You you don't love me
but you come near
and don't touch me
then I saw you
put away your ring
don't say you're sorry

You hold my soul
and think you're clever
take care my lough is louder
don't try to tell me why (tell me why)
you did it the second time (second time)
well I take my bags
and leave you
baby I leave you again

You you don't love me
but you come near (don't love me)
and don't touch me
then I saw you
put away your ring
don't say you're sorry (don't say you're sorry)

You you don't love me
but you come near (don't love me)
and don't touch me

then I saw you
put away your ring
don't say you're sorry

You you don't love me
but you come near (love me yeah)
and don't touch me
then I saw you (touch me)
put away your ring
don't say you're sorry (put away your ring)

You you don't love me
but you come near
and don't touch me
then I saw you
put away your ring
don't say you're sorry

It hurts to say
I hate you, I hate you
our arguments getting harder
I'm so angry, so damm angry
I hate you (I hate you)

You you don't love me (don't love me)
but you come near
and don't touch me (touch me)
then I saw you
put away your ring
don't say you're sorry

You you don't love me
but you come near (don't love me)
and don't touch me
then I saw you
put away your ring
don't say you're sorry (don't say you're sorry)

You you don't love me
but you come near
and don't touch me
then I saw you (saw you)
put away your ring
don't say you're sorry (you're sorry)

You you don't love me
but you come near (don't love me)
and don't touch me
then I saw you (touch me)
put away your ring
don't say you're sorry
