Look in my eyes
what do you see
only me
got nothing to hide
seek and you'll find
what's on my mind

This happened so fast
not a part of my plan
so I'm leaving my heart in your hands

Haven't told you
just how much I love you
only by dreaming
I show my feelings
Haven't told you
just how much I love you
time for revealing
and I will give you something, too
a love from me to you

yeah yeah yeah yeah

Look in my eyes
you know me so well
can't you tell that I'm
way into deep
I'm going down
so catch me now

It happened so fast
not a part of my plan
now I'm leaving my heart in your hands

Haven't told you
just how much I love you
only by dreaming
I show my feelings
Haven't told you
just how much I love you (baby)
time for revealing

and I will give you something, too
a love from me ...

I feel you
everyday I breath you
every single moment from the start
I see you
constantly I feel you
you move me so
no letting go
you smile at me
my heart is yours to keep

Haven't told you
just how much I love you
only by dreaming (by dreaming)
I show my feelings
Haven't told you
just how much I love you (baby)
time for revealing
and I will give you something, too

Haven't told you
just how much I love you
only by dreaming (by dreaming)
I show my feelings
Haven't told you
just how much I love you (oh no)
time for revealing
and I will give you something, too (yeah yeah yeah)
a love from me to you
