Guess It's true what people say
Sometimes love comes to you
In a different way
Even though I just met you once before
I think about you all the time
Longing to know you more.

I can't get you out of my mind
Think about you all the time
All the time
I can't get you out of my mind
Think about you all the time
All the time

Oh, Oh, Oh, Oh
Oh, Oh, Oh, Oh

It was not hard to say goodbye
Cause I knew we would soon meet again someday
But time is fast passing by
But it still feels like yesterday

(I can't get you)
I can't get you out of my mind (of my mind)
Think about you all the time (all the time)
All the time

I can't get you
I can't get you out of my mind (my mind)
Think about you all the time (think about you all the time)
All the time

Oh, Oh, Oh, Oh
Oh, Oh, Oh, Oh

For you and me
Distance is no problem
Can't you see
The way you make me feel
Wonderful

magical
so unreal
It's with you I wanna be

Oh, Oh, Oh, Oh
Oh, Oh, Oh, Oh

yeah yeah yeah

I can't get you out of my mind (I can't get you)
Think about you all the time (out of my mind)
All the time

I can't get you out of my mind (out of my mind)
Think about you all the time
All the time

I can't get you out of my mind
Think about you all the time
All the time
