Ey yo what up mami hows it hangin?
I bet your neighbours complain
cause yo your booty bangin, no jokes I aint playin'
u move in elegant ways but still streetslangin'
dirty lingo
sadatay like u pootytangin (kapachow)
wow u run the club like monopoly
curves lookin' cuddly
36 double d
air bags feelin safe when u're hugging me
u dancin so lovely my hands where
your button be your pants fit your body perfect
and I dont see nothing wrong with a
lil bit of touching on the surface
I dont mean to make yo mama nervous
I got a bigger purpose
dont be silly meet me at the piccadilly circus
and ima take u shopping
for books
cause I believe that my habibi need more than good
looks?BR>it be that natural rotation of information
no need to play dumb when u love

Hey you hear now
gon' tell what, when 'n' how
your love's gone why
do you hang 'round now, just like a cloud?
Babe hear me
gon' tell what I hear'n' see
Wan' be so free
you got give yo' love,
let it bleed, all it need

(Baby)
When you luv
no tricks no games no gimmicks
When you luv
