I saw you with that girl last night, the both of you were
making eyes
You did it right in front of my face as if I had no pride
And now you're always working late, you never have
much time for me
And you're expecting me to believe that you're not out
with she

Tonight, I give you my surprise, I hope that you won't
mind
I'm giving you an eye for an eye
Baby, I've found another and he is my lover
And I'm going out for the rest of your life

I betcha never thought I'd go that far
I betcha never thought I'd break your heart
I betcha never even thought at all
I betcha never, no you never

I betcha never thought I'd go that far
I betcha never thought I'd break your heart
I betcha never even thought at all
I betcha never, no you never

I know that everybody lies, that I know I can't deny
But what if it's intentional, the intention of your crime
'Cause I know how much I can take, I know my heart
demands a change
If I can't have my way, then all I have to say

Tonight, I give you my surprise in return for all the lies
I'm giving you an eye for an eye
Baby I've found another and he is my lover
And we're going out for the rest of your life

I betcha never thought I'd go that far
I betch never thought I'd break your heart
I betcha never even thought at all
I betcha never, no you never

I betcha never thought I'd go that far
I betcha never thought I'd break your heart

I betcha never even thought at all
I betcha never, no you never
