Happiness, happiness, happiness

I don't believe what I'm hearin'
You can't impress me by what you show me
Don't think I'm goin' through changes
Or you might see me change for the last time

Having a bad day better deal with it
If you're playin' games no time for it
If you're bringin' pain gonna run from it
Don't mess up my day

I'm the only one who's responsible for me havin' fun
And you can't take my

Happiness is what my life's about
Happiness no I can't do without
Happiness nothing can stop me now
Through ups and downs I'm still happy

Life is good as I make it
I can't sit while you make it for me
I like those jewels you gave me
But I wanna buy some jewels for myself

To lose the ball and chain, gotta reach for it
To realize my dreams, gotta reach for it
Nothin' comes for free, gotta reach for it
I'm not gonna have to depend on you

I'm the only one who's responsible for me havin' fun
And you can't take my

Happiness is what my life's about
Happiness no I can't do without
Happiness nothing can stop me now
Through ups and downs I'm still happy

I'm the only one who's responsible for me havin' fun
And you can't take my

Happiness is what my life's about

Happiness no I can't do without
Happiness nothing can stop me now
Through ups and downs I'm still happy

Happiness is what my life's about
Happiness no I can't do without
Happiness nothing can stop me now
Through ups and downs I'm still happy

Happiness, happiness
