Have yourself a merry little Christmas
Let your heart be light
From now on, our troubles will be out of sight
Here we are as in all the days
Have we gone in days of your

Faithful friends who admire to us
Gotta near to us once more
To the years we'll always be together
If the fades allowed, hmm

Hang a shining star upon a highest bar
Yeah, eh, yeah
And have yourself a merry little Christmas now
Uhh, uhh, uhh uhh

Have yourself a merry little Christmas
Make the you tight gate
From now on, our troubles will be miles away
Uhh, uhh, uhh

Here we are as in all the days have gone in days of
your
Faithful friends, who admire to us, gotta near to us
once more
In the years, we'll always be together
If the fades allowed, yeah

Hang a shining star upon my highest bar
Oh and have yourself a merry little Christmas now
Yeah, uhh, uhh, uhh

A merry little Christmas now
Merry Christmas and a happy new year
