Ohhh, yeahhh
I thought I knew my name
But when you asked
Everything went blank
I must have looked like a fool
But it's true, time really can stand still

Was it something in the wind
That told me look again
Cause I stared into your eyes and then
I fell in, ooohhh
I fell in, ooohhh yeahhh

I've always been afraid
cause there's a chance
I'll make a big mistake
All I trust is how I feel
It's surreal but somehow I feel safe

How do you know what's at the end
Of a rushing riverbed?
But you took me to the edge
And then

I fell in ooohhh
I fell in ooohhh yeahhh
I fell in
I fell in

So I let the ocean carry me
And where it takes me I don't know
So far away from where I thought I'd be

Something in the wind
Told me look again
Cause I stared into your eyes
And then, ooohhh
I fell in ooohhh
I fell in ooohhh
I fell in
I fell in
I fell

I fell
