They say it's a river
That circles the earth
A beam of light shining
To the edge of the universe
It conquers all
It changes everything

They say it's a blessing
They say it's a gift
They say it's a miracle
And I believe that it is
It conquers all
But it's a mystery

Love breaks your heart
Love takes no less than everything
Love makes it hard
And it fades away so easily

In this world we've created
In this place that we live
From the blink of an eye, babe
The darkness sets in
Love lights the world
And lights the lovers for eternity

Love breaks the chains
Love aches for everyone of us
Love takes the tears and pain
And it turns it into the beauty that remains

Look at this place
It was paradise, but now it's dying
I'll pray for love
I'll take my chances that it's not too late

Love breaks your heart
Love takes no less than everything
Love makes it hard
And it fades away so easily, oh...

Love breaks the chains

Love aches for everyone of us
Love takes the tears and the pain
And it turns it into the beauty that remains

Mmm...mmm...mmm...
