Don't say it never could, never would, never will, no I
can't do

Don't say it never could, never would, never will, no I
can't do

Don't say it never could, never would, never will, no I
can't do

Don't say it never could, never would, never will, no I
can't do

I never can say goodbye, no, I never can say goodbye
Even though the pain and heartache seem to follow me
wherever I go

And though I try and try to hide my feelings they
always seem to show

Then you try to say you're leaving me and I always
have to say no

Tell me why is it so?

I never can say goodbye, never can say goodbye
Every time I think I've had enough and start heading
for the door

There's a very strange vibration piercing me right
through the core

It says "Turn around you fool you know you love him
more and more"

Tell me why is it so? I can't let him go

I never can say goodbye, boy

I never can say goodbye, no, no, no, no, no, no, ooh
yeah

I never can say goodbye, boy

I never can say goodbye, no, no, no, no, no, no

Don't say it never could, never would, never will, no I
can't do

Don't say it never could, never would

I never can say goodbye, I never can say goodbye
I keep thinking that our problems soon are all gonna
work out

There's the same unhappy feeling, there's that
anguish, there's that doubt

It's that same old dizzy hangup, can't do with you or
without
Tell me why is it so? can't let him go

I never can say goodbye, boy
I never can say goodbye, no, no, no, no, no, no
I never can say goodbye boy
I never can say goodbye, no, no, no, no, no, no
I never can say goodbye, boy
I never can say goodbye, nno, no, no, no, no, no

Don't say it never could, never would, never will, no, I
can't do
Don't say it
Don't say it never could, never would, never will, no, I
can't do
Don't say it
