Ho oh oh, oh yeah yeah
Dun dun dara dara dara
Let me tell you about my
(Still in love)
Still in love
(So in love)
So in love with the world

You look so sorry, please tell me what's wrong
Just what are you thinking? You look so forlorn
Maybe you're thinking that I have been untrue
So let me assure you and tell you the truth

I'm not one to fool around
The mistake that I made was not meant to hurt you
I needed somehow to try and find out
Have I really felt inside

And I know I'm
(Still in love)
I'm so
(Still in love)
Ooh I'm gonna be all you want me to be
'Cos I am
(Still in love)
Ooh yeah
(Still in love)
Oh I'm gonna do all you want me to do

Don't ask no questions won't tell you no lies
It's something that have been that I can't disguise
I needed somebody to take me away
From feelings of doubt which in my mind delay

But you've always been the one
(You've always been the one for me)
And there are days when I know when I should have
told you
So don't make me cry 'cos I'm gonna try
To make you believe in me

And I know

(Still in love)
I know my baby
(Still in love)
I'm gonna be all you want me to be
Yeah yeah yeah yeah yeah
(Still in love, ah)
Still in love
I'm gonna do all you want me to do, oh

(Still in love, still in love)
I'm in love
(Still in love, still in love)
So in love
(Still in love, still in love)
Oh ho

Yes you must be the one for me
(Yes you are the one for me)
'Cos as hard as I try
I just can't let you go
So now that you know
Baby don't go
'Cos you are just all that I need

And I know I'm
(Still in love)
I'm so
(Still in love)
Oh don't you know I'm gonna be all you want me to be
Baby
(Still in love)
Whoa
(Still in love)
I'm gonna do all you want me to do

Oh
(Still in love)
I'm so
(Still in love)
Oh I'm gonna be all the things you want me to be
(Still in love)
Yes I'm still in love
(Ah, still in love)
An' with you I'm gonna do all you want me to do

Oh oh
(Still in love)
Ooh I'm so much in I tell you
(Still in love)
I'm gonna be all the things you want me to be
(Still in love)

Whoa whoa
(Still in love)
Hey yeah
(I'm gonna do all you want me to do)
Oh do because you're on my soul

Ho oh ra ra ra ra ra ru ru ru ru ru
So let me tell you right now
(Still in love)
Oh I'm still in love with you
(So in love)
So so so in love with your world
