I surrender  
Ooh hoo hoo  
I surrender it all  
Ho ho

I've never felt this way before  
There's nothing else I could want more  
Than somethin' real  
Only passion can reveal, yeah

With body and soul  
I'm used to controlling every, everything  
Now I can let go  
Let down my guard and we'll see how far this love can  
go

I surrender my heart, I'm givin' up  
And I don't wanna fight, I just wanna love  
I surrender it all, I'm givin' in  
To the power of love, surrender

This feels too good, can't bring me down  
Feels like I could never touch ground  
And how I've waited  
To a love anticipated yeah, yeah

Umm, with body and mind  
(Body and mind)  
I know that there's time for every, everything  
(Ooh ooh)  
Now now I can let go, let down my guard  
(I can let go)  
And we'll see how far this love can go

I surrender my heart, I'm givin' up  
And I don't wanna fight, I just wanna love  
I surrender it all, I'm givin' in  
To the power of love, surrender

And it's just too strong and I can't hold on  
What used to be ain't clear to me  
It's just a fantasy

I'm breakin' down right here right now  
I want you to know, oh, gonna take you slow  
And just let the feeling flow

(I say surrender)  
(I surrender my heart, I'm givin' up)  
Ooh huh  
(I don't wanna fight)  
Let it flow  
(Just wanna love)  
(I surrender it all)  
(I surrender it all, I'm giving in)  
(And I'm givin' in to the power of love)  
Yeah, I'm givin' in baby, who!  
(Surrender)

(Surrender my heart, I'm givin' up)  
Oh, I surrender my heart  
And I don't wanna fight, I just wanna love, love  
(I surrender it all, I'm givin' in)  
To the power of love, love  
(Surrender)

'Cause it's just too strong and I can't hold on  
(Surrender my heart, I'm givin' up)  
What used to be, just ain't clear to me  
(Just fall in love)  
I'm breaking down, right here right now  
(Surrender my heart, I'm givin' in)  
Want you to know gonna let the feelings flow  
(Surrender)

Surrender  
My heart my heart ooh ooh ooh ooh  
I don't wanna fight no more ooh  
(Just fall in love, I surrender my heart)  
My heart my heart, ooh ooh ooh ooh  
Yeah, yeah, yeah  
(Surrender)  
(Surrender my heart)
