Doo da doo, m doo da do ba do do do

Doo da doo, m doo da do ba do do do

Looking forward to seein you

But it's been such a long, long time

Looking forward to feelin your

Love, it's been so heavy on my mind

On my mind, all the time

On my mind

Had a chance to look forward

To be part of your loving my dreams

But I can't be happy with

Fantasizing instead of the real thing

The real thing, not my dreams

The real thing

There are no words that can express the way I feel
today

Cos I feel today, like no other day, longing more and
more for your loving

There are no songs that I can sing to ease my troubled
mind

Cos my troubled mind will be troubled blue

Until you say you're coming home to me, hooo, hooo

(Quick Break down)

Let me hear you say baby, let me hear you say the
words

Sing your love in a hurry

Send it's melody via love bird

A love bird, send your word,

By a love bird

(Instrumental)

There are no words that can express the way I feel

today
Cos I feel today, like no other day, longing more and
more for your loving
There is no other someone that can ease my aching
heart
Cos my aching heart told my troubled mind, the only
remedy to this pain is your love

Let me hear you say baby, everything's gonna be
alright
Stop my heart from aching
Stop my eyes from crying through the night

Through the night, I won't cry
Through the night

Doo, doo doo, doo doo doo doo... (for a verse)

The real thing, not my dreams,
The real thing, not my dreams
The real thing, not my dreams
The real thing....(fade)
