You are, you are  
Everything, everything  
Oh  
You are, you are  
Everything, everything  
Oh  
You are, you are  
Everything, everything  
Everything is you

Today I saw somebody  
Who looked just like you  
He walked like you do  
I thought it was you  
As he turned the corner  
I called out your name  
I felt so ashamed  
When it wasn't you  
Wasn't you

You are everything  
And everything is you  
You are everything  
And everything is you  
Oh you are everything  
And everything is you  
Everything is you

How can I forget  
When each face  
That I see  
Brings back memories  
Of being with you  
I just can't go on  
Living life as I do  
Comparing each man  
With you  
Knowing  
They just won't do  
They're not you

Oh you are everything

And everything is you  
Oh, you are everything  
And everything is you  
Oh, you are everything  
And everything is you  
Everything is you

You are, you are  
Everything, everything  
Oh  
You are, you are  
Everything, everything  
Oh  
You are, you are  
Everything, everything  
Everything is you

You are everything  
And everything is you  
Oh, you are everything  
And everything is you  
Oh you are everything  
And everything is you  
Everything is you

You are, you are  
Everything, everything  
Oh  
You are, you are  
Everything, everything  
Oh  
You are, you are  
Everything, everything  
Everything is you
