Son

Why don't you come home
I need
'Cause you got me
You got me under the influence
Of that four-letter word
You got me under the influence
And I'll do anything

My

I don't know
When to say I've had enough
And don't you take me
I know I must be, I must be
Under the influence
Of a four-letter word in the night
You got me under the influence
And I'll do anything
I must be under the influence
For the love that
You've got me under the influence
And I will soul

[BRIDGE]

You've got me under the influence
Of a four-letter word in the night
You've got me under the influence
And I'll do anything
I must be under the influence
Of a love
You've got me under the influence
And I will soul

[BRIDGE]

You've got me under the influence
You've got me under the influence
I must be under the influence
Of a love that
You've got me under the influence
And I will soul

You've got me under the influence
Of a four-letter word in the night
You've got me under the influence
And I'll do anything
