Bite the beat, it tastes so good  
Bite it till U're satisfied  
Ain't nothin' wrong with dancin' all night long  
U can still be dignified

When I first saw your teeth  
I knew U were the only one qualified  
2 bite the beat, don't try and call your mother  
Just bite it till U're satisfied

U can do it, bite the beat (Bite the beat)  
Come on honey, bite the beat (Bite the beat)

Work your body, make yourself sick  
Come on, bite the beat of the star  
Don't worry, U'll still be dignified  
It tastes like caviar

When I first saw your teeth  
I knew U were the only one qualified  
2 bite the beat, don't try and call your mother  
Just bite it till U're satisfied

U can do it, bite the beat (Bite the beat)  
Come on honey, bite the beat (Bite the beat)

Bite the beat, it'll do U no harm  
Unless U choke on a guitar string  
Peanut butter, false alarm  
I wanna dance, I don't wanna sing ... now check it

Uh uh, bite the beat (Bite the beat)  
Come on baby, bite the beat (Bite the beat)  
Don't be shy, bite the beat  
Don't try and call your mother (Bite the beat)  
Bite the beat of the star  
Bite the beat, it's so so yummy (Bite the beat)  
It's tastes like caviar  
Bite it

That's right, there'll be no more wet dreams 4 Brenda

At least not 2 night  
Come on, bite it ... ha ha ha ha  
(Bite the beat) {x4}  
Bite it

{laughter}  
God, I wasn't ready
