Ooh, look at me, I'm a Cadillac
I'm a brand new convertible child
I've never been driven baby, U're the first
Come on baby, drive me wild ... ooh

Ooh, look at me, I'm a telephone
Whatever U want, just dial
Come on honey, please, it's so easy
Do it baby, drive me wild

Come on baby, do it, drive me wild
Do it baby, drive me wild
Come on baby, do it, drive me wild
Do it baby, drive me wild

Ooh, look at me, I'm a radio
Call me up, make a request
I'll do anything, just name it
When I'm bad, baby, I'm the best

Come on baby, do it, drive me wild
Do it baby, drive me wild
Come on baby, do it, drive me wild
Do it baby, drive me wild

Ooh

Ooh, look at me, I'm a baby doll
Just pick me up and I'll smile
I may be young but I'm a whole lotta fun
Come on, baby, drive me wild

Come on baby, do it, drive me wild
Do it baby, drive me wild
Come on baby, do it, drive me wild
Do it baby, drive me wild

Ooh, do it, drive me wild
Come on baby, drive me wild
Ooh, do it, drive me wild
Come on baby, drive me wild

Drive me wild, drive me wild
