Brenda, how are we gonna get 2 the party?

Call up Jimmy, he's got a car

And what if a girl answers?

Hang up

Hang up nothin', Jimmy says I was his girl

Honey, don't U know everyone's Jimmy's girl?

Brenda, I know better than anybody

Well, if a girl answers, don't hang up, just talk about her

Yes

Hello, this is Vanity  
Is Jimmy home?

Yes, but he's taking a shower

Oh, I see  
Did he just take out the trash?

No, that's somethin' he use 2 do  
Now he's taking out me

Oh, I see  
Well, tell 'em he left his pants over here last night

That's OK, U keep 'em  
He won't be needin' 'em 2 night

Oh, what's the matter  
Is he going swimming?

Why no, we was gonna go  
But he said he did that last night

Well sugar, I know about a great party  
Why don't U bring us your car?

So sorry baby, but I never go 2 singles' bars

Singles? Is that what U think?  
Tramp, I'm datin' your dad

Oh, he died about 7 years back  
Now ain't that just 2 bad?

Well, that's how we like 'em - tall, stiff and ready  
That's positively more than I can say 4 dead Jimmy

That's because he was swallowin' vitamin E  
Now he's swallowin' me

Oh, U mean U were swallowin' him  
Why don't U just tie a mattress 2 your back?

I'm gonna need it cuz if I ever see your face  
I'm gonna fall and have a heart attack

All that's gonna fall is the wig off your head  
Now what U think about that?

I think I'd rather wear a wig  
Than run a motel 4 roaches, ants and lice  
Dogs and cats in my hat

Hey, that's goin' 2 far  
Here, give me the phone  
Hey tramp, take a bath in puke  
What's more, U can kiss where the sun don't shine  
If that don't work, we can duke  
U see, the only kinda man that would play with U  
Is one that plays with himself  
None of my friends could stand the sight of U  
Much less the smell  
And if I weren't a lady, I'd take my money  
And buy U a brand new face  
Then I'd take my underwear and stick it in your mouth  
And U'd love it cuz U got no taste  
And if that don't work, call back your dead daddy  
And show him what U look like now  
Honey, I'd bet he never come back  
Cuz U one ugly cow (Ooh-wee)  
Girl, U tell your boyfriend Jimmy he can go and get hit  
by a car  
Cuz as far as I see it, he can't afford 2 bite the beat of

this star  
There's 2 things we can't stand  
One's a jive talk man  
The other's a jive talk man with no money  
Can U dig it?
