That's right, pleased to meet you  
I still won't tell you my name  
Don't you believe in mystery?  
Don't you wanna play my game?

I'm lookin' for a man to love me  
Like I never been loved before  
I'm lookin' for a man that'll do it anywhere  
Even on a limousine floor 'cause

Tonight I'm livin' in a fantasy  
My own little nasty world  
Tonight, don't you wanna come with me  
Do you think I'm a nasty girl?

Tonight I'm livin' in a fantasy  
My own little nasty world  
Tonight, don't you wanna come with me  
Do you think I'm a nasty girl?

I guess I'm just used to sailors  
I think they got water on the brain  
I think they got more water upstairs  
Than they got sugar on a candy cane

That's right, it's been a long time  
Since I had a man that did it real good  
If you ain't scared, take it out  
I'll do it like a real live nasty girl should

Tonight I'm livin' in a fantasy  
My own little nasty world  
Tonight, don't you wanna come with me  
Do you think I'm a nasty girl?

Tonight I'm livin' in a fantasy  
My own little nasty world  
Tonight, don't you wanna come with me  
Do you think I'm a nasty girl?

Tonight I'm livin' in a fantasy  
My own little nasty world

Tonight, don't you wanna come with me  
Do you think I'm a nasty girl?

Tonight I'm livin' in a fantasy  
My own little nasty world  
Tonight, don't you wanna come with me  
Do you think I'm a nasty girl?

Please, please  
Please, please

Nasty girl  
(Nasty girl)  
Do you think I'm a nasty girl?  
Nasty girl  
(Nasty girl)  
Do you think I'm a nasty girl?  
Nasty girl

(Nasty girl)  
Do you think I'm a nasty girl?  
Nasty girl  
(Nasty girl)  
Do you think I'm a nasty girl?

Oh  
(Do you think I'm a nasty girl?)  
Oh  
(Nasty girl)  
Nasty girl  
(Nasty girl)

Do you think I'm a nasty girl?  
Oh, I don't like this groove  
Try and give me something I can croon to  
Catch my drift

That'll work

That's right, I can't control it  
I need 7 inches or more  
Tonight I can no longer hold it  
Get it up, get it up, I can't wait anymore

Uh, it's time to jam  
Dance nasty girls, dance  
Everybody, uh, it's time to jam  
Nasty girls, dance, dance, dance  
(Yeah)

Everybody, uh, it's time to jam

Nasty girls dance, dance, dance  
Uh, it's time to jam  
Nasty girls dance, dance, dance  
Uh, it's time to jam  
Nasty girls dance, dance, dance

Uh, it's time to jam  
Nasty girls dance, dance, dance  
Uh, it's time to jam  
Nasty girls dance, dance, dance  
Uh, it's time to jam  
Nasty girls dance, dance, dance

Are you gonna come?  
Are you gonna come?  
Are you gonna come?  
Are you gonna come?

Ooh, ooh, ooh, uh  
Is that it?  
Mm, wake me when you're done  
I guess you'll be the only one having fun
