There's someone bangin' on my wall  
I turn the volume up to full  
I don't know who it is or why they don't like me  
I don't feel safe in history

There's something naggin' in my head  
I turn my body out of bed  
I pull the curtains on another brand-new day  
Mrs. Jones and friend just look away

(Chorus)  
I'm prisoner number one  
I won't get parole 'cause I carry a gun  
Prisoner number one  
I'm prisoner number one  
We're all prisoners  
We're all prisoners  
We're all prisoners here

Last thing I remember Tuesday night  
Is three white wonders waiting for a fight  
Mrs. Jones walked past me as I lay there on that street  
She knows I'm a black boy underneath

(Chorus)

We're all prisoners, always caught  
In the life and death of each other's thoughts, other's  
thoughts, other's thoughts

(Chorus)

I'm prisoner number one  
I won't get parole 'cause I carry a gun  
I'm prisoner number one  
I'm prisoner number one  
Oh-whoa-oh  
Oh-whoa-oh  
Oh-whoa-oh-oh
