If you don't love me, why don't you tell me?
Instead of runnin' around with all the other guys in town
Can't you see you're hurtin' me?
Don't you care? Don't you care?

If you don't want me, why don't you tell me?
Instead of tellin' lies and makin' me cry
Can't you see you're hurtin' me?
Don't you care? Don't you care?

What ever happened to all the good times we used to
have?
The times we cried and laughed, I wanna know, I
wanna know
Will you ever love me again or will I find out that this is
the end?
Don't you care?

Mmm, my, my, my, my, baby
You said that you'd believe me, then why'd you ever
leave me?
I'm standin' here all alone without a girl of my own
Can't you see you're hurtin' me?
Don't you care? Don't you care?

Don't you care?
Don't you care?
Don't you care?
