You've got to change your evil ways baby  
Before I stop loving you  
You've got to change baby  
And every word that I say, it's true

You've got me running and hiding all over town  
You've got me sneaking and peeping and running you  
down  
This can't go on  
Lord knows you got to change baby

When I come home baby  
My house is dark and my pots are cold  
You're hanging around baby  
With Jean and Joan and a who knows who

I'm getting tired of waiting and fooling around  
I'll find somebody, that won't make me feel like a clown  
This can't go on  
Lord knows you got to change

When I come home baby  
My house is dark and my pots are cold  
You're hanging around baby  
With Jean and Joan and a who knows who

I'm getting tired of waiting and fooling around  
I'll find somebody, that won't make me feel like a clown  
This can't go on, yeah, yeah, yeah
