Oh, the shark has pretty teeth, dear  
And he shows them a pearly white  
Just a jackknife has MacHeath, yeah  
And he keeps it out of sight

When the shark bites with his teeth, dear  
Scarlet billows start to spread  
Fancy gloves though, wears MacHeath, yeah  
So there's not a trace of red

On the sidewalk Sunday morning, baby  
Lies a body oozin' life  
Someone's sneakin' 'round the corner  
Is the someone, Mack the Knife?

From a tugboat by the river  
A cement bag's droopin' down  
Yeah, the cement's just for the weight, dear  
Bet you Mack, he's back in town

Looky here Louie Miller, disappeared dear  
After drawing out his cash  
And MacHeath spends like a sailor  
Did our boy do, somethin' rash?

Sukey Tawdry, Jenny Diver  
Lotte Lenya, sweet Lucy Brown  
Oh, the line forms on the right, dears  
Now that Macky's back in town  
Take it Satch
