Your mama don't dance and your daddy don't rock and roll

Your mama don't dance and your daddy don't rock and roll

But when evening rolls around and it's time to hit the town

Where do you go? To rock and roll

The old folks say that you gotta end your day by ten

If you're out on a date don't you bring her home late it's a sin

There's just no excuse and you know you're gonna lose

You never win I'll say it again

And it's all because

Your mama don't dance and your daddy don't rock and roll

Your mama don't dance and your daddy don't rock and roll

But when evening rolls around and it's time to hit the town

Where do you go? To rock and roll

I pulled into a drive-in and I found a place to park

We hopped into the backseat where you know it's nice and dark

We're just about to move thinkin' it's breeze

There's a light in my eye and a guy says, "Out of the car, long hair!"

Oo-wee you're coming with me

Said the local police

And it's all because

Your mama don't dance and your daddy don't rock and roll

Your mama don't dance and your daddy don't rock and roll

When evening rolls around and it's time to hit the town

Where do you go? To rock and roll

Where do you go? To rock and roll

Where do you go? To rock and roll
