I've lost at love before
Got mad and closed the door
But you said, "Try just once more"

I chose you for the one
Now I'm havin' so much fun
You treated me so kind
I'm about to lose my mind

You made me so very happy
I'm so glad you came into my life

The others were untrue
But when it came to lovin' you
I'd spend my whole life with you

'Cause you came and you took control
You touched my very soul
You always showed me that
Lovin' you is where it's at

You made me so very happy
I'm so glad you came into my life

Thank you, baby

I love you so much it seems
You're even in my dreams
I can hear you
Baby, I can hear you calling me

I'm so in love with you
All I ever want to do is
Thank you, baby
Thank you, baby

You made me so very happy
I'm so glad you came into my life

You made me so very happy
You made me so, so very happy, baby
I'm so glad you came into my life

I wanna thank you, girl
Ev'ry day of my life
I wanna thank you

You made me so very happy
I wanna spend my life with you
