Say your prayers little one
Don't forget my son
To include everyone
I tuck you in
Warm within
Keep you free from sin
'Til the sandman he comes

Sleep with one eye open
Grippin' your pillow tight

Exit light
Enter night
Take my hand
We're off to never never land

Something's wrong, shut the light
Heavy thoughts tonight
And they aren't of snow white
Dreams of war
Dreams of liars
Dreams of dragon's fire
And of things that will bite, yeah

Sleep with one eye open
Grippin' your pillow tight

Exit light
Enter night
Take my hand
We're off to never never land
Yeah yeah

Now I lay me down to sleep
Pray the Lord my soul to keep
If I die before I wake
Pray the Lord my soul to take

Hush little baby don't say a word
And never mind that noise you heard
It's just the beasts under your bed
In your closet in your head

Exit light
Enter night
Grain of sand

Exit light
Enter night
Take my hand
We're off to never never land
Yeah yeah

Take my hand
We're off to never never land
Take my hand
We're off to never never land
Take my hand
We're off to never never land
Take my hand
We're off to never never land
