If I spend my money and I  
Take you out for coffee  
Would you tell me if you were crazy?

If I worked all week just to  
Take you out to dinner would ya  
Eat what you ordered or  
Push it aside so you get thinner?

Would you believe me if I told ya  
That you were beautiful  
The way you are?

Would you believe me if I told ya  
That you were beautiful  
The first time?

All you gotta do  
Is tell me  
All I gotta do is know  
What I'm getting myself in to  
Getting myself in to  
With you

La la la  
La lala lala

Would you laugh at my jokes if  
I was drunk and you were sober?

And if I stayed home from work sick  
And called you up  
Would you come over?

Would you tell me the truth if I asked  
If I could trust you?

Oh would you tell me the truth if I asked  
If I could trust you  
The first time?

All you gotta do

Is tell me  
All I gotta do is know  
What I'm getting myself in to  
Getting myself in to

All you gotta do  
Is tell me  
All I gotta do is know  
What I'm getting myself in to  
Getting myself in to  
With you

La la la  
La lala lala

La la la  
La lala lala
