Your just his,
Temporary love!
Your just his,
Temporary love!

I really hate to break it to you,
But it's the truth.
So I'm saying to you,
Your just his,
Temporary love!
I know you dont wanna hear the bad news,
But it's the truth,
So I'm saying to you,
I'm your getaway driver,
Your getaway driver.
Your getaway driver.
Let me take you away from his temporary love!
I'm your getaway driver,
Your getaway driver.
Your getaway driver.
Let me take you away from his temporary love!

Everytime I turn the corner, see you falling again.
Love the way he makes you feel, but it's only pretend.
Thinking that he was really the right one was your first
mistake
Need to get out, before you get hurt, baby listen to me.
Gotta be out of his mind, thinking your heart is
something to break.
Your just his, temporary love!

I really hate to break it to you,
But it's the truth.
So I'm saying to you,
Your just his,
Temporary love!
I know you dont wanna hear the bad news,
But it's the truth,
So I'm saying to you,
I'm your getaway driver,
Your getaway driver.

Your getaway driver.
Let me take you away from his temporary love!
I'm your getaway driver,
Your getaway driver.
Your getaway driver.
Let me take you away from his temporary love!

He's slick and styled,
But dude, seen a million times.
Won't you please watch your step, he's surrounded by
mines.
Everyone knows the truth about him, why're you
blinded right now?
Open your eyes, it's a disguise, baby listen to me.
Turn around, out the door, do it before -
It's your turn to find out,
That your just his, temporary love!

I really hate to break it to you,
But it's the truth.
So I'm saying to you,
Your just his,
Temporary love!
I know you dont wanna hear the bad news,
But it's the truth,
So I'm saying to you,
I'm your getaway driver,
Your getaway driver.
Your getaway driver.
Let me take you away from his temporary love!
I'm your getaway driver,
Your getaway driver.
Your getaway driver.
Let me take you away from his temporary love!

It is so criminal,
To take advantage of a beautiful woman like yourself.
He's only looking at your body as another trophy for his
shelf!
Your just his, temporary love!

I really hate to break it to you,
But it's the truth.
So I'm saying to you,
Your just his,
Temporary love!
I know you dont wanna hear the bad news,
But it's the truth,
So I'm saying to you,
I'm your getaway driver,
Your getaway driver.

Your getaway driver.
Let me take you away from his temporary love!
I'm your getaway driver,
Your getaway driver.
Your getaway driver.
Let me take you away from his temporary love!

Your just his,
Temporary love!
Your just his,
Temporary love!
