Darling I love you so and my heart forever
Will belong to the memory of the love that we knew
before
Please come back to my arms we belong together
Come to me let's be sweethearts again and then let us
part no more.

No more do I feel the touch of your hand on mine
No more see the lovelight making your dark eyes shine
Oh how I wish I never had caused you sorrow
But don't ever say for us there is no tomorrow

Darling I love you so and my heart forever
Will belong to the memory of the love that we knew
before
Please come back to my arms, we belong together
Come to me let's be sweethearts again and then let us
part no more
