WOAh

Im up in space and I don't need a spaceship,  
UH,

[EEEZIE ITS VEEZIE!]

Verse1

Im so high that my creps are rockets,  
Stars on the sides that's converse rocking,  
Stars in your eyes? That's me youre looking (dayum)  
Had your woman at last nights booking man,

Super martian don't know what planet Im landing on,  
I run this UK rap like a marathon,  
And I take it to the max like TK,  
V.A.S. on my game like E A

Chorus

Girl you say that Im always on your mind,  
So what,  
Girl you know that Im a space invader yeah,  
So what,  
Come get me now,  
Come get me now,  
Come get me now,  
Baby come get me yeah ay,

Every asteroid in my way I break,  
So what?  
Yeah I fly through the space of your thoughts,  
So what,  
Come get me now,  
Come get me now,  
Come get me now,  
Haters come get me yeah ay,

Verse2

Okay  
My lyric game proper,  
Spit game proper  
Mess with the models so my,

Chick game proper,  
Swift in my lane then you know Im gon' run up,  
I'll flip over your car like and acrobat sucker,  
My flows lava, you are Luke Warm  
Dude I am your father, this is bar wars,  
I always flow harder, young about to get cash,  
Money, might aswel call me V.A.S. carter,  
Girls call me galaxy I take them to another one,  
When they hear my track they say "I think I love another  
one"  
Its only right that I hit you with a nother one,  
Girl Im about to hit you with a lazer gun  
BLOW!!!

[Chrorus]

Verse3

say this to the haters and the fakers and the ex,  
Im about to bring you payback like a debt,  
Orbit your mind and invade in a sec  
And im a make the crowd bounce like bad cheque  
X3..  
.. ha , EEEZIE ITS VEEZIE

[Chorus]

Oh no no,  
Yeah,  
Baby, girl you, know im down,  
So come get me now,  
Come get me here,

[Come get me now,  
Come get me now,  
Come get me now,  
Haters come get me here]

V.A.S. is the Building
