Help
I don't know what to do
And i'm depending on you
To see me through
Help
When trouble comes my way
And i don't know what to say
Lord have your way

[Chorus:]
Help me
Help me
Help me
Help me

Help
When i don't understand
What's in your master plan
And i need you direction
Help
When i am all alone
And i need someone to call on
To love me and care for me

[Chorus 4x]

Lord, i need your help
Just cant make it
No without your help
Ooohhh
Lord, i need you help
Just can't make it no
Without your help

I need your help
Just cant make it
With out your help

I have tried over
And over again
But i just
Can't make it

With out you help

[Chorus 4x]
