Someday  
Vaughn Monroe  
Music and lyrics by Jimmie Hodges

I know that someday you'll want me to want you  
When I'm in love with somebody else  
You expect me to be true  
And keep on loving you  
Though I am feeling blue  
You think I can't forget you  
Until someday you'll want me to want you  
When I am strong for somebody new  
And though you don't want me now  
I'll get along somehow  
And then I won't want you

Someday you'll want me  
And long for me, dear  
But I won't be there

I know that someday you'll want me to want you  
When I am strong for somebody new  
And though you don't want me now  
I'll get along somehow  
And then I won't want you  
And then I won't want you
