Let me in with the flowers  
Don't bring me down, I'm on the ground  
Let me in, oh, you've got the power  
To kill the pain feelin' deep within

#### REFRAIN 1:

Last night I've hurt you so  
Until the mornin' sun goes cold  
Rivers flow  
I promise you my heart  
And we can make love go  
Until the moon up high sets the sky, I know  
You'll never face a broken heart  
No doubt about it, I'm wide awake  
You're back again  
Woh, come on let me in the darkest hour  
Just take my hand and try to understand

#### REFRAIN 2:

I know I've hurt you so  
Until the seas run dry  
I'll worship you and more  
I promise you my heart  
And we can make love go  
Until the lover ceased dreamin' an old heart  
My lovely lady we'll never part

Now we can dance upon the sweetest love refrain  
You're my tomorrow and you're my today  
Now only you can show the way  
Through fire and rain  
I'm feelin' great so much  
You're such a part of me, once you're back  
Hey, it's good to see you again

No doubt about it  
I wanna win you back again  
Woh, come on let me in to feel the fire  
Let love afloat over bodies wet and cold  
I'll never let you go  
Until the sand grows in the desert day by day  
I promise you my heart

And we can make love go  
Until the day no longer turns the night away  
My lovely lady you know I say

Now we can dance upon the sweetest love refrain  
You're my tomorrow and you're my today  
Now only you can show the way  
Through fire and rain  
I'm feelin' great so much  
You're such a part of me, once you're back  
Hey, it's good to see you again

(Instrumental)

Hey, lady  
Lead me through the colors of your rainbow  
You gotta understand  
You've got this shadow hangin' over me  
I'm not the man I used to be, oh no  
My life is in your hands  
I know your heart is sad and blue  
I'm lonely, too  
So honey, come on, let me in  
I'm on the ground

Na, na, na, na, na, na....
