"Kussa noutajat..."
Oh this evening I want to dance,
To dance the night away.
Oh where are the boys to fetch the girls
To take the girls away?
Oh this evening I want to dance,
To dance the night away.
Oh where are the boys to fetch the maids
To take the maids away?
Oh this evening I want to dance,
To dance the night away.
Oh where are the partners light of foot
To take the dancers away?
Where are the fetchers,

The fetchers of the maids?
Where are the fetchers,
To take the daughters away?
Oh this evening I want to dance,
To dance the night away.
Is there no one to ask the beauties
To take the beauties away?
Oh this evening I want to dance,
To dance the night away.
Is there no one to lead the fair ones,
To lead the fair ones away?
Oh this evening I want to dance,-a
