Life is beautiful  
We live until we die

When you run into my arms,  
We steal a perfect moment.  
Let the monsters see you smile,  
Let them see you smiling.

Do I hold you too tightly?  
When will the hurt kick in?

Life is beautiful, but it's complicated.  
We barely make it.  
We don't need to understand,  
There are miracles, miracles.

Yeah, life is beautiful.  
Our hearts, they beat and break.

When you run away from harm,  
Will you run back into my arms,  
Like you did when you were young?  
Will you come back to me?

I will hold you tightly  
When the hurting kicks in.

Life is beautiful, but it's complicated,  
We barely make it.  
We don't need to understand,  
There are miracles, miracles.

Stand where you are.  
We let all these moments pass us by.

It's amazing where I'm standing,  
There's a lot that we can give.  
This is ours just for the moment,  
There's a lot that we can give.

It's amazing where I'm standing,

There's a lot that we can give.  
This is ours just for the moment,  
There's a lot that we can give.
