John Cale: harmonium, bass

Audrey my dear, I've been waitin' so long for you girl
Won't you let it all come on through
Tonight won't you come and make love to me
Oh Audrey my dear
Just look at us, walin' in the snowy street with our
collars ut
I don't want to go to another party, 'cos I've had
enough
And you, you look so lovely, I want very much
To take your clothes off and hold you very close
Someplace where it's quiet enough
To feel our love a-growin.
