He said to her, "I'd like a cheeseburger  
And I might like a milkshake as well"  
She said to him, "I can't get you either"  
He said, "Isn't this Burger Bell?"

She said, "Yes, it is but we're closed now  
But we open tomorrow at ten"  
He said, "I am extremely hungry  
But I guess I can wait until then"

'Cause you're his cheeseburger  
His yummy cheeseburger  
He'll wait for you, ya  
He'll wait for you

Oh, you are his cheeseburger  
His tasty cheeseburger  
He'll wait for you  
Oh, he will wait for you

He stayed at the drive-thru till sunrise  
He may have dozed off once or twice  
When he spotted a billboard for Denny's  
Bacon and eggs for half price

How could he resist such an offer?  
He really needed something to munch  
Cheeseburger, please do not get angry  
He'll eat and be back here for lunch

'Cause you're his cheeseburger  
His precious cheeseburger  
Be back for you  
He'll be back for you

Won't be so long, cheeseburger  
Oh, lovely cheeseburger  
Be back for you  
Oh, he'll be back for you

'Cause he loves you cheeseburger with all his heart  
And there's nothin' gonna tear you two apart

And if the world suddenly ran out of cheese  
He would get down on his hands and knees

To see if someone accidentally  
Dropped some cheese in the dirt  
And he would wash it off for you  
Wipe it off for you  
Clean that dirty cheese off just for you

You are his cheeseburger
