The devil made me do it

Nothing is too hard, nothing is too loud

We were sitting around in a ghost town watching the
paint dry

I said, I wanna play with the big boys
I said, I wanna play with big toys

I heard you've got the cash
Well I've got a plan
You've got the right friends
And I've got a killer plan

Devil makes work for the idle thumbs
(I've got a plan)

Let's make a bomb!
Let's blow the place up down to the very foundations!
Let's make a bomb!
Let's blow the place up, do it quick and dirty!

Never too ritch
Never too thin
Never too young
And never ever perfect

I said, I wanna play with the big boys
I said, I wanna play with big toys

Devil makes work for the idle thumbs
(I've got a plan)

Let's make a bomb!
Let's blow the place up down to the very foundations!
Let's make a bomb!
Let's blow the place up, do it quick and dirty!

Devil makes work for the idle dumbs
Should have done it myself

Cause he only made things worse

Let's make a bomb!

Let's blow the place up down to the very foundations!

Let's make a bomb!

Let's blow the place up, do it quick and dirty!

Quick and dirty
