90, 90% grind. 10 per, 10% sleep

90, 90% grind. 10 per, 10% sleep

90, 90% grind. 10 per, 10% sleep

I grind so much that i hardly get sleep.

You dont work, you dont eat. You dont grind, you dont shine.

You dont work, you dont eat. You dont grind, you dont shine.

You dont work, you dont eat. You dont grind, you dont shine.

No if's, and's, or but's, bottom line.

Mike Jones!

I put my heart and soul in each crack

cause i dont wanna go back

three years ago

cause im sold

and i might fall back

to the streets that i call home

the blocks where the dopes roam

the blocks where you set up a house and get yo cash on.

I aint playin

peep the lyrics im sayin

everybody on they knees believe me, aint prayin.

Everybody that hang around ya aint cool like they sayin

when they pull the guns and somebody pop up sprayin.

If not, then you should move around

cause them be the same people that put ya underground

day to day grindin and hustlin

got me hot like a oven

man i been grindin since day one

yall just seen seven months of it.

Nigga's sayin im hot cause im wit tha house,

nigga im hot cause i spit hot shit out of my mouth

and i got fans that's down with me like Bobby and Whitney.

Like i said on "Before The Kappa" you want me come get me

cause i aint going nowhere

like Big Tymer's "Oh Yeah"

your turn your neck and im fuckin yo hoe yeah

stickin dick in her mouth

makin her pass out

then im kickin her ass out

cause i fuck em and smash out (Why?)

Cause Im Mike Jones (who?)

Cause Im Mike Jones (who?)

Cause Im Mike Jones (who?)

Cause Im Mike Jones

that's forever gone stay real till the day that i get killed.

I chill with my niggas that's so real

cause Mike Jones is no punk, playboy I got spunk

start trippin and come up missin in somebody else
trunk (Why?)

Cause Im Mike Jones (who?)

Cause Im Mike Jones (who?)

Cause Im Mike Jones (who?)

Cause Im Mike Jones
