Just because the team left that don't mean
I ain't no Houston Oiler
Ice Age

I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up

I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
Ice Age, right now

Ay, I'm landin' out to the sky to my space ship
She sayin' my slab lookin' better than her face lift,
damn
She love the candy swanking with the bumper kit
She touched the butter and I cut didn't even have to
say shit

I got her gone, I'm in her mind like I'm thinkin' with her
That's why I know what she thinkin' when she thinkin'
nigga
Right now she wanna grab a pint of oil
I brought her here to let her taste it, now I ask for it

She love them Houston Oilers, she love the drank we
sip
She love the way the candy shine and how the 4's flip
She know 'bout super pokers, she know 'bout elbows
That's why when she see 'em she can't keep her legs
closed

I said she love them Houston Oilers, she love the drink
we sip
She love the way the candy shine and how the 4's flip
She know 'bout super pokers, she know 'bout elbows
That's why when she see 'em she can't keep her legs
closed

I'm a Houston Oiler, I'm a Houston Oiler

I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up

I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
Ice Age, right now

Ay, I stay sippin' lean sittin' sideways
With some candy on 4's in ya driveway, damn
I'm shoot spiders in the night time
With something on me that will have ya on the lifeline

Yeah, I'm crawlin' on 'em super pokers
Yeah, I'm crawlin' with that super soaker
So stay in ya lane
I'm smoking on that purple with that purple in my drink

I feel good, the Houston Oilers on Warren Moon
I'm number one like Warren Moon
South side I see ya candy red
Nawfside candy blue, we all getting bread

And who are you?
I'm who? Mike Jones, who? Mike Jones
Who the hell is that?
A player that came out first album double plat
So all you haters please fall back, aye

I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up

I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
Ice Age, right now

I can barely walk 'cause I'm leanin'
I can, I can barely, I can barely walk 'cause I'm leanin'
I can barely, I can barely walk 'cause I'm leanin'
She seen the 84's and vogues and started leanin'

I can barely, I can barely walk 'cause I'm leanin'
I can barely, I can barely walk 'cause I'm leanin'
I can barely, I can barely walk 'cause I'm leanin'
She seen the 84's and vogues and started leanin'

Drank in the Styrofoam, I'm a Houston Oiler

I'm a Houston Oiler, I'm a Houston Oiler
Sippin' till I'm leanin', I'm a Houston Oiler
I'm a Houston Oiler, I'm a Houston Oiler

84's and vogues got the girls screamin'
I'm a Houston Oiler, I'm a Houston Oiler
When I come through, shinin' with my ride
I'm a Houston Oiler, I'm a Houston Oiler

I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up

I'm a Houston Oiler, I'm a Houston Oiler
I'm from H-Town and I love to drink that oil up
I'm a Houston Oiler, I'm a Houston Oiler
Ice Age
