(I'm a soldier)

[Mike Jones:]

Born and raised Im gettin paid  
On a gettin dough way  
Im on a minimum wage  
Im on the cock with my glock  
and a hand full of cocks  
They aint leavin from the block  
Till I fully get cock  
Hot, the love from around  
Is mike jones moves around  
But when the law leave the block  
I got cum a? Il around  
Back doing  
One wont do it  
2 choises  
be scared or persue it  
the game, is risky but it pays a lot of change [x2]  
I give wood to my hoods  
through the woods now Im paid  
Im happy with the favours  
more Happier with change  
Be Gay  
People wanna hang when they see your heavy thing  
Greening when? ou? blow? em  
We go'n break em off for change  
I was bored by myself  
Gonna die by myself  
You wanna have change  
You better get em by yourself  
As im on get a bit husla, soldier  
thought I told ya  
Aint afraid to move boulders  
We freak around gangs? dont? t worth the doing  
But right now Mike Watts is choppin an screwin it  
hold up watts, the fun just begun  
I told you i dont rap for fun, i rap for funds Use me, you  
touch me minus your future  
Cos my name will ryme like one loop? hole, they grin, it

took me a while to get a lot of these grins  
now my? ho? hole is right around my foreskin,  
Thanks to my fans my name is an anthem, who Mike  
Jone [x3]

[Micahel Watts:]

I bin dipping lots of years in the shit  
Im michael watts the limping legend and I still want  
dick  
Like mike jones say in this ryme you dont work you dont  
beat you dont rhyme you dont shine  
Im bin down but I couldnt stay down  
I got tired of being poked so I switched the shit around  
I cant stop wont stop wont quit  
while crammed in the slammer? bout to pump the  
bumper kid  
I'm real but I changed my name, I slide paper chains  
with my hand on the brain  
Switch your house we first not last  
evything I sit on got wood up in class
