I aint tripping about the lime light
Cuz when I'm with my shawty
She keep my mind right
When we up in the mall
She feel up shopping bag
She love to popp them tags
She love to drive the jag
Whenever we alone
She throw away my phone
Cuz she don't want no interruptions while we going
strong
My baby, my baby
Don't be on that bull sh*
My baby, my baby
Know I keep a full clip
That's why I
Met her outside at 745
That's why I
Take pride when I slide up in them thighs
My baby boo she true
U know she hold me down
So when I get some time
I spend it with her now

I'm waiting, anticipating for you baby
(Cuz I gotta be next to you)
And I'm wanting
You cuz u got me

Boy you got me
(Cuz I gotta be next to you)

Baby you on my mind
As long as we spending time girl
(Cuz I gotta be next to you) (x2)

My lil mama she know how the game go
She know if is bout the money
She know daddy gotta go
She know if is bout the paper
Them paper I'm gon' get
Bring it back to the crib
Them paper we gon' split
She understand what I do
She trust me and keep it true
Even tho I leave her lonely
She knows that I love her too
While I'm hot I gotta get it
Gotta stay on the grind
And she already know when I'm home
She take all my time, I
Love to cuddle her
Love to make her blush
Girl I can't get enuff
Cuz I gotta be next to you
Love to cuddle her
Love to make her blush
Girl I can't get enuff
Cuz I gotta be next to you

I'm waiting, anticipating for you baby
(Cuz I gotta be next to you)
And I'm wanting
You cuz u got me
Boy you got me
(Cuz I gotta be next to you)

Baby you on my mind
As long as we spending time girl
(Cuz I gotta be next to you) (x2)

Girl
Now I know
That daddy gotta go out there and get it
I know
That when he get some time
He spend it with me
I know
That he gon' always be around so I'll let him hit his ex

outta town

Mike jones

And I know

That lil mama gon' hope daddy down

And I know

That she gon' make me smile when I frown

And I know

That shawty's more than a friend

That's why I ride wit her til the end

I'm waiting, anticipating for you baby

(Cuz I gotta be next to you)

And I'm wanting

You cuz u got me

Boy you got me

(Cuz I gotta be next to you)

Baby you on my mind

As long as we spending time girl

(Cuz I gotta be next to you) (x2)
