Hoes these days mayne, I'm tellin' y'all
They scandalous, baby, scandalous, baby
That's why
I, can't, stand you, scandalous hoes

Females I don't trust 'em, Lord knows I don't love 'em
I fuck 'em, I don't cuff 'em, I swear they nothin' but
trouble
And for that reason there, I keep my shit in my pants
Because I, can't, stand you, scandalous hoes

Geah I watch my back when I'm walkin'
I watch my mouth when I'm talkin'
My glock cocked when I'm crawlin'
'Cause you never know who hate the fact

You got plenty of paper stacked
So they envy the way you move in that Bentley
Now you got more than one enemy
Tryin' to take you out nope

That's why you ride wit'cha scope
Or aim the infrared beamer straight to they throat
So if you ever in fear of your life
You put steel here in they life

'Cause you ain't goin' down, especially not tonight
I never ever trusted hoes because they got a plan
They don't want me for me
They want me because I got some Grants

It's sad when you down
Nobody lends a helpin' hand
But when you blow up
And don't help them you [Incomprehensible]

My grandma told me watch these hoes because they
got a plan
To get your paper that's why I keep my shit in my pants
You're on your own till your gone that's what I was told
So I'ma help who helped me till my casket closed

Syeah, Mike Jones, Who? Mike Jones
That's why
I, can't, stand you scandalous hoes

Females I don't trust 'em, Lord knows I don't love 'em
I fuck 'em, I don't cuff 'em, I swear they nothin' but
trouble
And for that reason there, I keep my shit in my pants
Because I, can't, stand you, scandalous hoes

What's my business is my business, don't worry 'bout
how I'm livin'
I'm gettin' it how I'm gettin' it, you should do the same
These haters hate, they mad 'cause I'm gettin' cake
That's why I, can't, stand you, scandalous hoes

Stand you scandalous hoes
I can't stand 'em mayne
We fin' to do a little bit different right here
Check it out, syeah

Now that you stackin' up dollars, these hoes now wanna
holla
They wanna be on your team, they wanna know all
about'cha
They wanna ride on your ride, they wanna be by your
side
Until the day that you die, that's what they tellin' you
right?

They sayin' they wanna commit, because your paper
legit
The minute you go bankrupt the second they gon' split
Now yo' ass ain't got shit
Listenin' to that bitch got you flat broke quick

If you was straight from the streets
You'll know that that bitch was from the jump a hoe
Playin' you for your dough but I guess you thought I
was hatin'
When I was keepin' it real

I'll bet you gon' listen now 'cause she got you for your
scrill
So let this lesson be told to those who got caught
You tried to pay for some pussy that already been
bought
You told the hoe where you lived
'Cause you thought that the bitch was real
Same time she was one of them niggaz inside your crib

I can't let it happen to me, so I watch 'em from fifty feet
I'd rather have money comin' than be with these
scandalous freaks
I can't let it happen to me, so I watch 'em from fifty feet
I'd rather have money comin' than be with these
scandalous freaks

Syeah, Mike Jones
Females I don't trust 'em
Lord knows I don't love 'em
That's why I, can't, stand you, scandalous hoes

The same ones that'll suck you up, 'll fuck you up, I
swear
Y'all better get y'all game on mayne
Hoes are scandalous mayne
I, can't, stand you scandalous hoes

Syeah Mike Jones, scandalous hoes
These scandalous hoes, these scandalous hoes
That's why I, can't, stand you, scandalous hoes
