MIKE JONES!

Me and Paul we actin' a fool
When screens fall I'm packin' a tool
I'm texas raised, texas made
We grind daily no minimum wage
I represent the home of candy cars
Screw music and purple bar
Trunk bangin', fifth hangin'
84's and vogue swangin'
Belt-buckles we wear in Texas
Rag-tops lay down on Lexus
Diamonds shinin' from grillin' necklace Haters hate cuz
we well respected Paul Wall and Mike Jones Who one of
the throwedest on the microphone We sittin' high on 20
inch chrome Tryin' to get our shine on I said, Paul Wall
and Mike Jones Who one of the throwedest on the
microphone We sittin' high on 20 inch chrome Tryin' to
get our shine on I crack a smile and show platinum
mouth Every time I rap I rep Swishahouse I spit a verse
and head straight to the vaults
5 G's for me to even open my mouth

Now a days the brauds pimp brauds
Cuz they got more game then most these guys You'll
get set up and then you'll get robbed You don't know
bout' chunkin' a deuce You don't know bout a southside

fade Down here we be ridin' d's But you don't know
about choppin blades Texas southern or Prarie View
What you know bout' battle of the bands Down here we
got ghetto grub Like William's Chicken or Timmy
Chan's You can catch me ridin' swangs What you know
about sippin' syrup You don't know about pourin' it up
Purple drank some speeches slurred You don't know
bout' the way we talk Boys say we got country words
But I don't really care what you heard Cuz you don't
know bout' the Dirty 3rd
